# Changes

Congratulations, Ike

The year 1969 has been a year of changes. WHS students have accomplished much. New clubs as Drama, Twirlettes, and Auto Club have been formed for more after school activities. New attractions like a Snow Queen at the Christmas Ball, a Senior Lounge, Modular Scheduling, and a Senior Picnic have made the year much more successful. Our students have received many high honors as a team such as in sports or as an individual in speech or Choir. WHS students have something to be proud of this year. The 1969 Warrior will try to give you some of the highlights of this great year of changes.

Leave for Queen Islay.

September 20 was the Homecoming to the West Indies. After the departure of Queen Islay and Long Island, the small Sase Dancer made the trip to the Booths. The weather remained favorable all day and was topped off with a 14' swell early for the West Indies. Following the same the basic Sea Purpose, provided the perfect setting for the 1958 Homecoming.

The Warriors of 1968 were one of the best teams here at Winthrop High for over 25 years. Their record 5-3-1 for the season proves this fact.

We lose a lot of fine players this year, two of which are all conference. Next year our line will be young but we have a good backfield coming back.

## Track

We had a great season this year. We had the best competition all year. We had the best record in our fifth year as Conference Champions. We also won three Triangulars and the City Meet. We will have to work hard next year if we will be able to hold that Conference championship for the sixth year in a row.

See you at the track and field meet....

Two roads diverged in a wood,  
I took the one less traveled by,  
And that has made all the difference.

Our Seniors are ready to take that first step into the world. They must decide which road  
will be the right one for them. There are many roads to take because of the freedoms we  
have in this country.

Good luck to next year's Editor-in-Chief, Glenda Dording, and Assistant Editor, Pat Hayes.  
Also many, many thanks to all the people who have helped us, especially, Mr. Stillwell,  
our photographer, and Miss Cartier, our patient advisor.
